Wednesday, May 27 6:00 PM & June 17 6:00 PM Tuition: \$20**

Our thoughts and beliefs influence our feelings, actions and our lives, but we are often driven by unconscious beliefs that cause stress, anxiety, depression, fear, etc. This simple process of inquiry invites you to peace, freedom and loving reality. Once we question our thinking, life changes, often in profound ways. Reverend Geraldine has practiced The Work since 2002 and has facilitated the process since 2008.
